Severe Weather Procedures

Lightning storms and severe thunderstorms

- Eastside Centre is equipped with a precision electrical instrument called Thor Guard. It is designed to provide reliable lightning prediction, however if you ever see or hear lightning please evacuate the playing surface.
- When Thor Guard predicts lightning its horn will activate for 15 seconds.
- **At this time ALL Coaches, Players and Spectators must EXIT THE FACILITY and proceed to their vehicles. ALL PLAYING SURFACES, SPECTATOR AREAS, AND SIDEWALKS MUST BE CLEARED UNTIL THE ALL CLEAR HAS SOUNDED.**
- When the threat has cleared Thor will activate 3 sperate horn blasts.

Tornado Warnings

- In the event of a Tornado Warning Participants should seek shelter in the EASTSIDE CENTRE GYMANSIUM located in the North East Corner of the complex

Eastside Centre Rules and Guidelines

- No smoking or vaping
- No pets
- No alcohol
- No firearms or concealed weapons
- No foul language

Practice and Warm-up Guidelines

- Do not hit or throw directly into fences
- No soft toss or batting drills will be allowed on the outfield turf at anytime.
- Observe turf conditions and rotate location of warm-ups and practice drills to avoid excess wear to the turf. Please stay off the foul line.
- No usage will be allowed on prepared fields by teams or individuals that are not scheduled on that diamond.
